What Should I Bring to Elementary School?

Congratulations! You've been accepted into Elementary School at HappyTails Collegiate! You and your pooch are on your way to a happy, healthy and balanced life together!

There are a few things we need you to bring to make your time with us a success, so we've made you a checklist!

☐Please bring your beloved pooch in on a **collar and leash**. We prefer that you do not use a harness, you will learn about many different types of collars and have the opportunity to try them to see what works best for your pup. The key to success with having a dog walk well on a leash is head control, which you do not get at all with a harness.

☐Please **bring a mat** for your fur baby. You can find the perfect mat at Dollarama. We will be using these at the beginning of each class as well as throughout our six week sessions.

☐Please bring **treats**! We have a large variety of treats at HappyTails for purchase if you forget.

☐Please leave your human children at home, they can be quite distracting for your fellow pupsters!

☐Please bring your pups **favourite toy or ball**! It is great to give your dog a variety of praise!

☐Please bring proof of vaccines to your first class, it is very important to us that everyone is up to date on their vaccines.

Please do not hesitate to give us a bark if you have any questions at all! You can reach us at celeste@happytailspetresort.ca or 204-416-7387!
